Here is the list of the main events which we intend to celebrate over this coming academic year. Some of these events will be quietly acknowledged in class whilst others will be **whole school events**. Some activities will focus on raising awareness, others will involve **fundraising**. Sometimes parents/ carers/ grandparents will be invited along to join the fun too! We hope you will be able to join us at these events. More details will follow in due course.

We will also be inviting our families to join their child at some out-of-school activities again, including horse-riding with RDA. Please also watch out for activities which may be identified by the Parent Council and for assembly dates in June for those children and young people who will be leaving the school or nursery.

Debbie ☺
